

Research Details :

Research Title : Synthesis and Biological Evaluation of some 2,4,5-Trisubstituted Thiazole Derivatives as Potential A
Synthesis and Biological Evaluation of some 2,4,5-Trisubstituted Thiazole Derivatives as Potential A

Descriptipn : .

Research Type : Article

Added Date : Tuesday, April 08, 2008

Researchers :

Researcher Name (Arabic)	Researcher Name (English)	Researcher Type	Degree	Email
د / محمد الصاعدي		Researcher	أستاذ مشارك	
د / شريف رستم		Researcher	أستاذ مشارك	
د / حسن فيض الله		Researcher	أستاذ مشارك
